GRANT STREET ASSOCIATES ADDS SEASONED BROKER TO INDUSTRIAL TEAM

Thomas McCaffrey, SIOR

Pittsburgh, PA – Thomas McCaffrey recently joined Grant Street Associates as an industrial brokerage and leasing manager.

McCaffrey brings with him more than 30 years of experience in the commercial real estate industry that includes appraisal, site selection, consulting, management and construction. He has worked with such Pittsburgh icons as Armco, U. S. Steel, United Engineering, Dravo, Pitt-Des Moines and Teledyne.

To put it mildly, commercial real estate brokerage runs in McCaffrey's blood.

Mr. McCaffrey is a third generation broker specializing in the sale and leasing of commercial and industrial real estate. Following his college graduation, McCaffrey joined his family's firm, Thomas McCaffrey Company. Shortly thereafter, McCaffrey qualified to be an Active Member of the Society of Industrial and Office Realtors (SIOR). He later joined Oliver Realty, which in 1985 merged with Grubb & Ellis Company.

"Tom brings a tremendous wealth of knowledge to our team, and we are pleased to have him on board," Tim Goetz, President of Grant Street Associates said. "His expertise in the commercial real estate industry further enhances our ability to meet the needs of large industrial users in our market and those planning to enter it."

McCaffrey holds a Bachelor of Science degree in Architectural Engineering from the Catholic University of America, and he has served two terms as Chapter President, SIOR, District Vice President and national board member. Currently, he serves on more than eight civic and performing arts boards, including the Pittsburgh Civic Light Opera.
