

LYNNE J. FERRARI

MARKETING & DESIGN COORDINATOR

Ms. Ferrari joined Grant Street Associates, Inc. in May 2004 as a marketing assistant and has since expanded her role to include the creation and development of all marketing materials for the firm.

Among Lynne's many responsibilities are the creation of all property flyers and marketing materials; the design and placement of all company advertisements in print and online media; the development and distribution of property mailings and space requirements; and the management of marketing signs for the firm's more than 65 agency assignments. She also serves as the in-house IT manager, maintaining the network server and company databases, the telephone system and all computer related hardware and software.

Prior to joining Grant Street Associates, Lynne worked as a Marketing & Sales Assistant with Alstom Power Energy Recovery, directly supporting the President in the local office of the international engineering company; and as a Marketing Assistant with Campbell Associates, designing and creating various marketing materials, including brochures and slide presentations; planning and initiating sales seminars and generating new business through a telemarketing program.

Ms. Ferrari holds an Associate of Science degree in Graphic Design and Animation from Anthem College, Phoenix, Arizona
