Dear Sir/Madam:

This is to inform Retail Tenants that PrideStaff has successfully worked with Jared in securing our first location in Western Pennsylvania. Under Jared's guidance and through his extensive contacts within the real estate market, PrideStaff was able to strategically negotiate a favorable lease with option terms within the new development of Orchard Park Plaza.

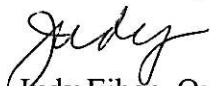

Due to PrideStaff business objectives for 2008-2009, we were operating under a 60-day time constraint. Jared provided us with a completed retail site marketed analysis with a matrix of demographics, traffic count, peering retail sites with our professional services and corporate accounts.

From our introductory conference call, site confirmation, letter of intent and lease negotiations, Jared illustrated the following attributes:

- Exemplifies an extreme attention to detail;
- Exhibits a tremendous sense of urgency;
- Demonstrates the ability to negotiate with a multitude of personalities with minimum concessions to facilitate deals;
- Has a complete understanding of the market and the retail leasing process;
- Tenacious with us achieving our goals and went the "Extra Mile".

Simply stated, Jared provided PrideStaff with outstanding service! I strongly recommend any retailer looking to locate, renegotiate their lease or expanding in new locations to utilize his retail real estate expertise.

With Best Regards,

Judy Eiben, Owner/Strategic Partner
