In trying to find creative office space, our agency was advised to contact Timothy R. Goetz, Grant Street Associates, Inc.,

Tim showed us space in the Henry W. Oliver Building (our new office location).

Tim appreciated and understood the importance for our agency to find unique office space.

Throughout the entire leasing process, Tim was dedicated to helping us with our leasing needs and listened to our concerns.

I would recommend Tim Goetz to any organization for its office leasing needs.
